CONCEPTUAL PRESERVE TRAIL SYSTEM FOR THE MCDOWELL SONORAN PRESERVE

* Notes to Map:

- Grade separated crossings not on the GP will be requested as amendments to Trail Plan.
- Perimeter trail along Pima and Stagecoach will be pulled back from Right-of-Way.
- Should approved golf course be built, MSPC recommends deleting stipulated eastern trail and adjusting the location of the northwest trail to better integrate route with Preserve & GP trails.
- Possible GP change to move grade separated crossing at Dynamite to Jomax/Pima Rds.

- City Boundary

Recommended Study Boundary for the McDowell Sonoran Preserve: 36,400 Acres

city of scottsdale, arizona Note: Map is for illustration purposes only and is not to scale. 6/00Consol6

CONCEPTUALPRESERVE TRAIL SYSTEM*

*Changes may occur during implementation due to environmental concerns, archaeology, soils or sensitive habitat considerations.
